INTERESTING DECISIONS

ANNOUNCED BY THE UNITED STATES SUPREME COURT.

Drummers' Rights Violated—All Sin Has No Rights.—The "Harmony Economicists" in Court—Trade Dollar Rejection—Michigan Lands Open for Entry—Matthews and Trotter—Notes.

WASHINGTON, March 8.—The Supreme Court of the United States reconvened Monday, to complete the spring session, which will adjourn in May. A large number of decisions were rendered. The "Drummers' tax case," brought here from the Supreme Court of the state of Tennessee, involving the right of one state or municipality to impose a license tax upon traveling salesmen from another state seeking to sell goods by sample or otherwise, was decided in favor of the plaintiff, Sabine Robbins. The decision of the court is that such taxation is an interference with interstate commerce, and therefore unconstitutional.

A decision was rendered in the case of Thomas Kilduff, of California, in which the court held that a person who is arrested and held as the leader of a party of white men who drove out the Chinese from Nicolaus, Sutter county, Cal., in February, 1885, is not liable for damages for the injury to the Chinese. The court held that the plaintiff's case was not a case of "hate" but a case of "self-defense." The court also decided in favor of the plaintiff in the case of Jacob Hauril, brought on appeal from the United States circuit court for the western district of Pennsylvania, which brings to light an interesting story. In 1860 the plaintiff brought to this country from Wabernburg about fifty families and settled on the banks of the Ohio river, about twenty miles from Pittsburgh. The colony was known as the "Economy" colony, and the town they founded was called "Economy." They not only installed themselves as leaders, but they also claimed to be the only true Christians in the country. They were not only the only true Christians, but they also claimed to be the only true Christians. They were not only the only true Christians, but they also claimed to be the only true Christians.

Relinquishing the Trade Dollar.—WASHINGTON, March 8.—A circular was issued from the treasury department Monday directing the relinquishment of trade dollars at all sub-treasuries as promptly as facilities will permit. The circular states that owing to the present inadequate provision for the reception and storage of these coins, there will be some unavoidable delay in carrying out the provisions of the act for their redemption. The coins will be redeemed as rapidly as possible at the treasury department and at such of the sub-treasuries as request for such redemption, stating amount to be redeemed, may be received and filed, and the holders will be notified in turn as to when presentation may be made and payment obtained. The redemption referred to must be made on or before April 1, 1895.

Land for Sale in Michigan.—WASHINGTON, March 8.—Commissioner Sparks has ordered the restoration to entry of 22,500 acres of land in Michigan, which were selected in 1871 by the Jackson, Lansing & Saginaw Railroad company. The commissioner, in 1893, held that those lands were exempted from the railroad grant by reason of having been entered in the land reservation at date of grant, and that by the subsequent extinguishment of the Indian reservation the lands reverted to the public domain, and did not have to the railroad company. Secretary Lamar affirmed this decision, and the present action, granting the lands to settlement and entry under the public land laws.

Latest Rumor About Matthews.—WASHINGTON, March 8.—Mr. Trotter, the now recorder of deeds for the District, called on the president Monday for the first time since he received his appointment. Mr. Matthews, the retiring recorder, accompanied him. They had quite a long interview with the president. The rumor that Mr. Matthews is to succeed Commissioner Montgomery upon his retirement from the patent office is, of course, entirely unfounded among the employees of the District, and others.

The Quincy, Ill., Public Building.—WASHINGTON, March 8.—Proposals were opened Monday for furnishing material for the Quincy, Ill., public building. Davidson & Son, of Chicago, bid \$3,900; the Burlington Manufacturing company, \$3,900; the Pickel Marble and Granite company, of St. Louis, \$4,000; and E. V. Alden, of Horvathville, N. Y., \$4,400. The latter proposal being the lowest, the award will be made accordingly.

Printers to Lose Their "Site."—WASHINGTON, March 8.—During the present week there will be a discharge and furlough of some 150 employees of the government printing office. The increased force made necessary by the printing of the Congressional Record will undergo the usual thinning out process, which always takes place after the adjournment of congress.

Died at Constantinople.—WASHINGTON, March 8.—The state department has received a dispatch announcing the death of Consul General Reap at Constantinople.

Discovered Another Nihilist Plot.—ST. PETERSBURG, March 8.—A nihilist plot, wide in its ramifications, has been discovered in Finland, and a large number of students and artisans connected therewith have been arrested in Ulsborg and Abo.

An End to Bone Cracking.—EDWARD SHEPHERD, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. I have had a running sore on my leg for eight years; my doctors told me I was incurable. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25 cents per box, by Frank Sherer & Co.
